### Questions and Answers

#### **Q1a: What are the Conditions for a return?**

- A. Items returned for credit must be:
- Current items inventoried by Tennant
  - Returned in new and resalable condition
  - Returned in the original packaging
  - A minimum line item total of \$25.00

#### **Q1b: Are there special requirements for returned goods originating from non-US countries?**

- A. Yes. Any returned goods being sent back to Tennant Company via ocean vessel now requires an “**Importer Security Filing**” (ISF) to be electronically submitted to U.S. Customs and Border Protection. Tennant Company must submit a complete and accurate ISF prior to the goods leaving your facility. Customer Service will work with you to gather any additional information and will provide you with the **Return Order Number** once the proper ISF has been filed. Effective January 26, 2010, non-compliance may result in penalties of \$5,000 U.S. dollars per violation.

### **Q4: How will I receive credit for my return?**

A. Reimbursement for returned items is limited to account credit only. Cash reimbursements will not be made.

Credit will not be given for unapproved items returned to Tennant. Any such unauthorized returns will be subject to a handling fee of 150% of the part list price. Credit will normally be issued to your account if the received items meet the above-listed Conditions. If the returned items do not match the original request that you submitted, or they do not meet the Conditions specified in this policy, the items will be scrapped and no credit will be issued. Scrapped items will not be returned.

**Q7e: How do I return *Detergents, Chemicals, and Specialty Surface Coatings*?**

A: Detergents, Chemicals, and Specialty Surface Coatings are not normally returnable. Only products shipped in error by Tennant will be considered for reimbursement. Please contact Customer Service or your Area Sales Manager for further information.

**Q7f: How does a distributor return **overstock products**?**

A: Once each calendar year, a distributor may elect to return over-stock for credit that meet the conditions outlined within this Policy, less a 15% restocking charge. The return allowance will be based on the current distributor cost for these items. The return process starts by connecting with your local Tennant sales contact to determine if the products are deemed returnable. The distributor must pre-pay freight. Please contact Customer Service for pre-approval and a Return Order Number.

Distributors electing to submit an annual overstock return must contact customer service, *in advance*, for pre-approval of the items they wish to return. The pre-approval process requires the distributor to submit an electronic list of parts (part number and description) to customer service for review. Pre-approval may take several days depending upon the number of items submitted for return approval. Pre-approval does not guarantee acceptance.

**Q7g: Is there a **time limit for a distributor to return overstock products**?**

A: Yes. Items must be less than one year old, meet all conditions outlined in this Policy, and are subject to inspection.
