

ANNUAL CONFERENCE

CLEANING REINVENTED

New Innovations Deliver Cleaner, Safer and Healthier Restaurants

The Right Tools

or

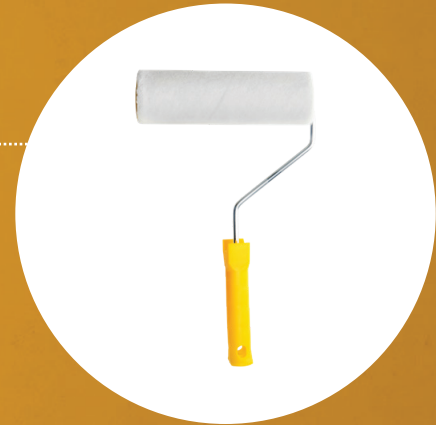

?

You Need Both!

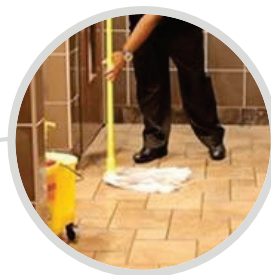

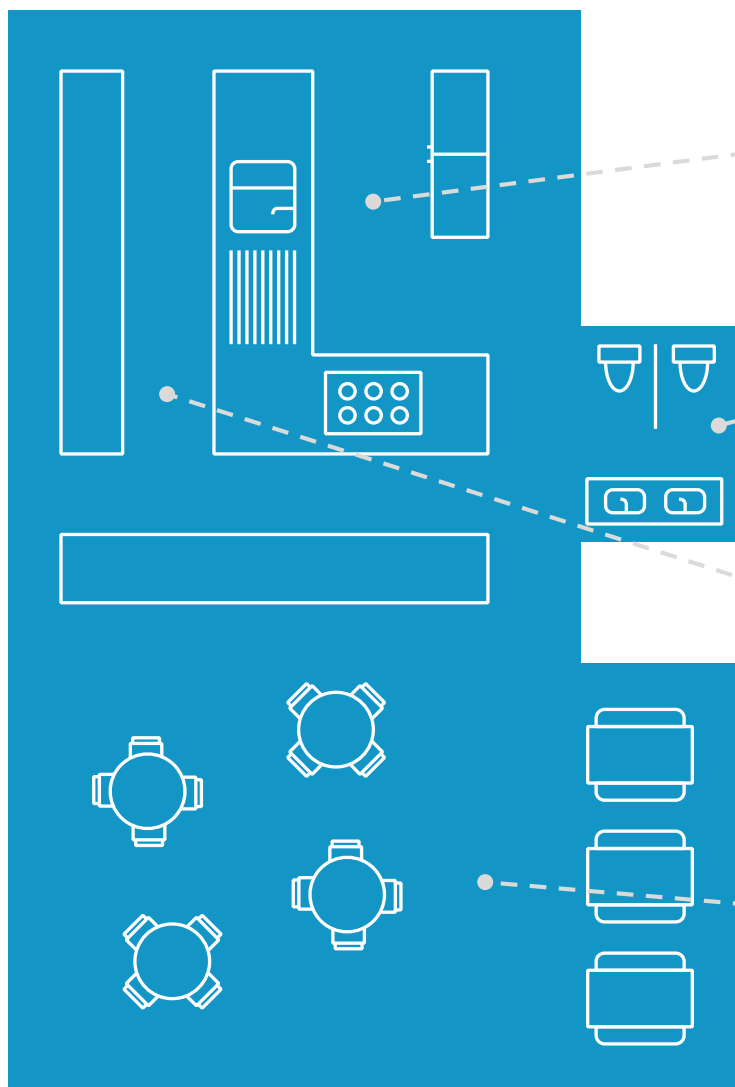

Brush for small
areas, edges &
corners

Roller for
large areas

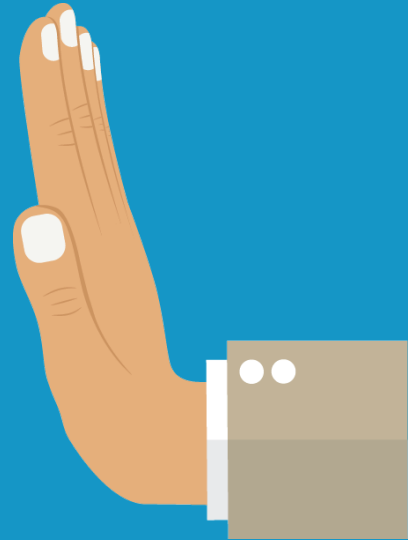

THE ELIMINATOR

- 10 franchise locations
- Hired outside cleaners to come in nightly
- Added an automatic scrubber and hours for staff to clean
- **Saved \$18,000 per location per year!!**

THE REDUCER

- 350 company locations
- Cleaned daily by in-house staff using mops and deck brushes
- Added an automatic scrubber and Reduced 'janitorial' hours by 1.2/day
- Floors look better than ever, staff likes it better
- Reduced hours has no impact on operations
- Reduced Chemical consumption and cost

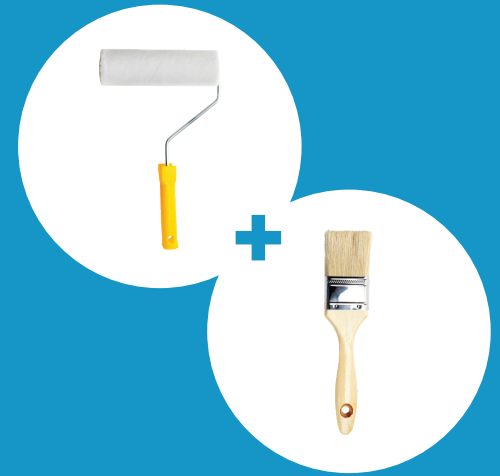

THE IMPROVER

- 500 store QSR
- Needed partner with National Corporate Footprint
- Added floor scrubber and CHANGED the PROCESS
- Floors are cleaner, drier and safer
- Higher Customer Service Satisfaction scores around cleanliness

SUMMARY

- Paint Roller & Brush allow for best results when painting a room
- Adding mechanized cleaning can save time and money
- Mechanized cleaning enhances floor cleanliness and image
- Drier floors are safer floors
- Choose a partner that meet your business needs

ANNUAL CONFERENCE
