

# Self-Contained Extractor EX-SC-716

**Reach a higher standard of cleaning with a self-contained carpet extractor.**

### **Ideal for smaller areas**

Efficiently clean smaller areas with fewer empties/fills thanks to the 7 gal / 26 L solution and recovery tank capacity.

### **Efficient, effective design**

Adjustable brush pressure ensures a customized clean. Multiple spray jets evenly disperse solution and easily twist off for rinsing.

### **Flexibility**

Optional accessories include a hand tool, upholstery tool, floor tools, vacuum hose and solutions hose extension.

## **Key Benefits**

- Unique body design allows cleaning under desks and counters
- Durable body construction delivers years of performance
- Moves easily and smoothly with its lightweight construction

# Self-Contained Extractor EX-SC-716
