

REINVENT HOW THE WORLD CLEANS

T260

Small walk-behind scrubber-dryer

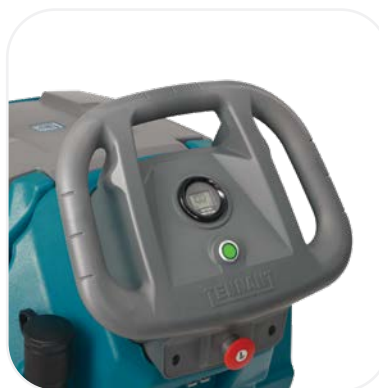

Value you can touch

A small scrubber-dryer designed with a simple push button control for quick, straight-forward operation. Reduce your cost to clean with affordable but essential machine features and a yellow touch point system for easy maintenance. Perfect for small commercial spaces such as retail supermarkets, hotels and hospitals.

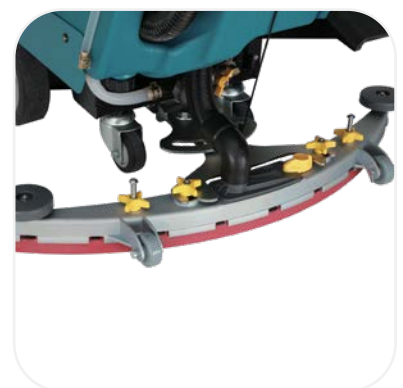

Easy to maneuver

Clean small, congested areas in one pass with a compact, easy-to manoeuvre design.

Intuitive controls

Simple-to-use controls reduce operator training time.

User-friendly Design

This simple design allows for easy and fast routine maintenance minimising down time.

Inside the T260

- 1. Floating splash guard** controls water spray to maximise water pickup and reduce risk of slip and falls.
- 2. Straightforward operation** with push button Start-Stop control and battery meter display.
- 3. Compact in size** and highly maneuverable in small spaces.
- 4. Simple to clean out** with easy access and visibility into the tanks.
- 5. Excellent water pick-up** and featuring an easily adjustable squeegee design with standard Linatex® blades.
- 6. Simple brush/pad change out system.**
