

REINVENT HOW THE WORLD CLEANS

# T600

## Industrial-strength floor scrubber

Delivering exceptional cleaning performance and reliability even in the toughest environments.

### Available technologies

-  ec-H2O NanoClean® technology
-  Pro-Membrane™ or Pro-Panel™
-  IRIS® Asset Manager
-  Smart-Fill™ Automatic Battery Watering
-  High capacity battery power sources

# Productive & versatile

1

6

## 1. Yellow debris tray

Helps prevent machine clogging.

## 2. Productivity-boosting

Maximize battery life and run-time with the optional Smart-Fill™ automatic battery watering system.

## 3. Integrated p-trap

Virtually eliminate water compartment drain tube drips after cleaning.

## 4. Quiet-Mode™

Reduce noise levels as low as 62 dBA for daytime cleaning without disruption. Perfect for healthcare, education, and office cleaning.

## 5. On-demand training

Optional LCD Pro-Panel® resources include maintenance videos and information in 28 languages.

## 6. Diamabrush™ technology

Help floors battered by grime and filth look like-new with optional Diamabrush tools.

## Get the performance you need

The T600 scrubbers have multiple machine head types to fit your cleaning applications and optimize cleaning performance for specific areas.

### Cylindrical:

28 in / 700 mm &  
32 in / 800 mm

### Orbital:

28 in / 700 mm

### Dual disk:

28 in / 700 mm &  
32 in / 800 mm &  
36 in / 900 mm

# Inside the T600

## 1. Simplify operation

Easy-to-understand controls featuring variable speed control bail, propel toggle and speed setting within easy reach.

## 2. Recovery hose

Pinch-style recovery hose helps control dirty water flow.

## 3. Convenient charger

Charge anywhere with the convenient on-board charger.

## 4. Foot activated squeegee

Easily and ergonomically lower and raise the foot activated squeegee.

## 5. Yellow touch points

Save time and ensure proper maintenance with yellow touch points.

## 6. Drain tube

Safely control the removal of excess fluids via the battery compartment drain tube.

## 7. Easy access

To solution filter bowl makes cleanout simple and quick.

## 8. Foam filled or pneumatic tires

Increase traction with tires with enhanced grip.

## 9. Yellow plunger

Easily remove scrub head brushes with yellow plunger.

T600***** - approvals (U.S./Canada only) - ETL Listed to UL 583 Type E						

ec-H2O NanoClean® technology is NFSI (National Floor Safety Institute) Certified

ec-H2O NanoClean technology is registered by NSF International

\*Estimated coverage rates use the practical speed and empty/fill time standards from the 2014 ISSA 612 Cleaning Times & Tasks handbook.

\*\*Up to run-times are based on continuous scrubbing run-times, 360AH batteries, low down pressure, ec-H2O off.

\*\*\*Sound levels per ISO 11201 as recommended by the American Association of Cleaning Equipment Manufacturers & OSHA.

\*\*\*\*\*Does not include - ec-H2O NanoClean or Smart-Fill options.

\*\*\*\*\*Available in US and Canada only

## Tennant – Reinvent how the world cleans

With a vision to become a global leader in sustainable cleaning innovation that empowers our customers to create a cleaner, safer and healthier world, Tennant creates solutions that are changing the way the world cleans.

### We are where you are

Tennant has the industry's largest direct sales and service organization and a well-supported network of authorized distributors worldwide.

### Solutions for your unique needs

Whatever your cleaning needs, Tennant offers a variety of high quality equipment to help you increase your cleaning productivity.

### Buying, leasing, renting

We offer flexible options to get you the machines you need, however you need them.

### TennantTrue®

Optimize equipment performance and protect your investment with TennantTrue® parts and service.
