

REINVENT HOW THE WORLD CLEANS

V-WD-9 Wet-Dry Vacuum

Compact and convenient

A maneuverable wet-dry vacuum with a range of smart features.

Optional Accessories

Upstream HEPA cartridge filter

Pack of paper or microfiber fleece bags

Carpet tool

Durable construction

Compact and durable polyethylene tank designed for rugged use.

Easy maneuvering

Handy carrying handle and six swivel wheels make for easy maneuvering.

Performance that counts

Flexible hose is locked securely and reliably.

Inside the V-WD-9

1. Innovative head gasket

provides strong seal even vacuuming oily or chemical residues. No loss of airflow during suction.

2. Strong tank hooks

Flexible and fast latching hooks are shock resistant and durable.

3. Sealant floater and integrated anti-foam system

detects and blocks liquids when tank is full, protecting the system and ensuring maximum safety.
