WHY OTHERS RELY ON TENNANT *TRUE* SERVICE

"I CALL IN THE MORNING AND HE'S HERE IN THE AFTERNOON."

"I'm very satisfied with Tennant. Our service rep is very prompt. He makes recommendations on all machines and tells us when things need attention. He's very conscientious about taking care of us."

— Jerry Pennington, Assistant Supervisor, Buildings, Grounds and Maintenance Department,
Mason City Schools, Iowa

"I'M NEVER DOWN LONGER THAN A DAY."

"I use Tennant [Service], their staff is just awesome. I make one phone call, I can have a technician out right away. Even if he has to order parts, I'm up and running fairly fast. The service is just wonderful."

— Randy Kauppi, Facility Lead, Aveda

"WE LOOK AT HOW EFFECTIVE THE TOOL IS."

"We are using Tennant squeegees and brushes, all the accessories that we use are Tennant. The reason we choose the Tennant accessories is that we want our team to work with stuff that will make their job easy. We look at how effective the tool is, and if the teams like it, and they've been a part of the selection process, it behooves us to provide that for them."

— Gene Woodard, Director of Building Services, University of Washington, Seattle Campus

"TENNANT MAINTENANCE IS ANOTHER BIG PLUS."

"We have one person that comes out to do the maintenance on our machines and he's very timely with his visits. He's very, very good at communicating what is necessary now, and what is going to be needed in the future. We never feel like we're being sold parts and services that we don't need, and what that does is also maintains the life of the machine."

— Linda Roberts, Job Options Inc.
